

# OPERATION Toy Soldier

We at the Marcy Funeral Home collect new unwrapped toys each Christmas Season. Operation Toy Soldier is a national toy drive, yet the toys we collect stay in Ashtabula County. The toys are given to active and non-active military families based solely on service to our great country!

Edgewood students have agreed to assist us in collecting new unwrapped toys this Christmas Season! We are so excited here at the Marcy Funeral Home to partner with Edgewood Students in providing military families toys.

We have provided Edgewood High School with an Operation Toy Soldier barrel to collect items donated.

We would like to Thank Everyone for donating and especially the Edgewood Students and staff for helping to make this year's toy drive a success!

Recommended items would be: toys (boys and girls ages 5-15), art kits (boys and girls 5-18), educational items (boys and girls 5-18), and blankets (boys and girls 5-18)

Toy Collection will end December 18, 2019
