## SENIOR CONFERENCES

If you have not had your senior conference with your EHS School Counselor, please email your counselor to set up an appointment! This important conference is your first graduation requirement of the year.

## COLLEGE VISITATION DAYS

Most Ohio colleges and universities sponsor Visitation Days each year when special programs are presented on campus for high school students. This is an excellent way to visit the campus and take part in some special activities in a particular field of study or become more familiar with the institution in general. Check out college websites and follow their instructions to register for these opportunities.

## **COLLEGE APPLICATION INFORMATION**

- Many of you may be starting to work on your college applications. You must use SCOIR to indicate colleges you have applied to and request letters of recommendations. Because we will not know when you have applied, you must also complete the Senior transcript request form. Please remember to request your materials two weeks in advance.
- Letters of Recommendations - If you need a letter of recommendation from a teacher, please give them two weeks notice. Remember to request the recommendation from a teacher who knows your academic performance and can attest to your positive character traits.

## **COLLEGE ENTRANCE TESTS**

Many colleges have gone TEST OPTIONAL, meaning you do not have to submit your ACT/SAT Scores to be admitted. Depending on the school you are applying to and what your test score is, you may want to submit your test score. Test scores may also still be required for scholarships or admission to specific programs.

There are two college entrance tests – the **SAT** and the **ACT**. Check the colleges of your choice to learn which test is required. Register for these tests on the web.

If you are a junior or senior and participate in Free/Reduced Lunch, your school counselor can give you a fee waiver to cover the cost of the test - including late fees. Also, by using a fee waiver you will receive additional access to test prep materials for free. Please do not wait until the last day to register to request a fee waiver because the school counselors may not be available.
